Scooter oils 2T - 2T racing

# Eurol SR 2000 Road Racing

Fully synthetic 2-stroke oil for racing engines and karts

## Description

Eurol SR 2000 Road Racing is a fully synthetic 2-stroke oil, especially developed for racing engines and karts. The balanced additive package, in combination with the synthetic base stocks, guarantee optimum results under extreme racing conditions.

Eurol SR 2000 Road Racing prevents sticking of the throttle valves in rainy weather. The special formulation keeps the engine clean and free from carbon deposits, even at high loads and temperatures.

Eurol SR 2000 Road Racing offers optimum performance in tuned, water cooled 2-stroke racing engines.

Ensure that Eurol SR 2000 Road Racing is properly mixed with the fuel in accordance with the mixing ratio specified by the manufacturer.

## Specifications

### Performance level

API TC+/TC
